Springbok Troop Potted Programme 5b

18h30	Fall in
18h35	Flagbreak outside by another scout requiring Pathfinder 16
18h40	Inspection of smartness of uniform
18h50	British Bulldogs while PLs are briefed on fire lighting without matches and how to make a damper & twist
19h15	Patrols are given steel wool & flour and asked to start a fire without matches in a safe area and cook a damper and twist for each member of the patrol.
20h00	Inspect dampers & twists and supply butter & jam. Patrols clear site.
20h20	French Cricket played in patrols (Bowler bowls ball at batsman's legs. Batsman defends with bat by hitting ball as far as possible. Player who picks up the ball bowls from where the ball was stopped. Score 1 run for each ball hit. If ball hits batsman's legs between ankle and knee or if the ball is caught the batsman is out and the bowler or catcher is in.) *Alternative: Play Bucket cricket as for French except batsman stands on upturned bucket or box.*
20h40	TS takes PLs for instruction on solar stills, snares and shelters which he has already prepared. TS also tells them about the following week's programme. ATS demonstrates finding way by the stars to the rest of the troop
21h00	Patrols follow a simple compass trail checking their directions with the compass and stars. (Have a prize at the end e.g. a chocolate)
21h20	Notices
21h30	Flag Down & prayers by same scout who did opening ceremony.
21h35	Home

Patrols are asked to be at hall by 17h30 next week prepared for a sleep over.

Scouters to give out a list of what to bring with them for next week's programme and a parents consent form
